Re: Infringing Use of WORLD CHESS FEDERATION HALL OF FAME

Dear Mr. Vaughan:

We are counsel to World Chess Museum, Inc., licensee to the registered trademark WORLD CHESS HALL OF FAME®, U.S. Reg. No. 2551246, which is owned by U.S. Chess Trust. This mark has been in continuous use for many years.

We have become aware that your World Chess Federation, Inc. has begun to promote the operation of the WORLD CHESS FEDERATION HALL OF FAME in Las Vegas.

Given the similarity between the senior registered mark WORLD CHESS HALL OF FAME® and the junior WORLD CHESS FEDERATION HALL OF FAME, and the fact that they have common inductees, there is a significant likelihood that confusion will result, and may have already resulted, among interested individuals as to affiliation, source, and sponsorship of and between the two halls.

This serves as a demand that you, your company, and those under your direction or control, immediately cease and desist any and all use of WORLD CHESS FEDERATION HALL OF FAME, or any other name confusingly similar to the registered mark WORLD CHESS HALL OF FAME®, including the destruction of all signage, letterhead and promotional material containing the infringing phrase.

We would appreciate hearing back from you by no later than Monday, September 5, 2011, confirming the cessation of use and necessary destruction, as requested above.

(second notice previous notice was to so called use as "World Chess Hall of Fame" and Sidney Samole Museum.

Dear Mr. Bennett,

Please be advised, as we previously advised the so called "World Chess Hall of Fame" and Sidney Samole Museum which registered the infringing World Chess Hall of Fame 2551246 as of March 19, 2002 that your client infringes upon World Chess Federation's Hall of Fame which has been in existence since 1992.

Please note the disclaimer which the US Patent and Trademark Office advised the regstree that the claim does NOT give that client EXCLUSIVE right to use of words Hall of Fame in conjunction with that registration.

As previously the Sidney Samole Museum and US Chess Trust was advised World Chess Federation has had its own World Chess Federation Hall of Fame since 1992.

Given the similarity between our senior use of World Chess Federation ® Hall of Fame and in light of the fact that USCF is an affiliate of FIDE the Federation Internationale d'echecs or INTERNATIONAL CHESS FEDERATION, we would advise you use International Chess Hall of Fame. World Chess Federation does not sanction many of the so-called inductees of your so-called Hall of Fame.

This serves as a demand that you, your company you represent, and those under its direction or control cease and desist infringement upon or senior use of World Chess Federation Hall of Fame.

World Chess Federation reserves the right to have the US Patent and Trademark Office rescind the the infringing registration you mention, if you attempt to violate the issued disclaimer that US Chess Trust was not granted EXCLUSIVE right to Hall of Fame as used by World Chess Federation since 1992.

Subject: Your clients infringement upon senior usage of World Chess Federation Hall of fFme rights

World Chess Federation issues cease and desist request vs so called World Chess Hall of Fame

above is registered mark and our previous registration in Nevada predates any so called 2002 registration.

World Chess Federation, which has its own World Chess Federation Hall of Fame since 1992 has advised Bryan Cave LLP, that its has not licensed use of a so called "World Chess Hall of Fame " in St. Louis, Missouri and to dease and desist usage of that name as the registration # they claim clearly states US Chess Trust does NOT have exclusive right to use Hall of Fame in conjunction with the use of words World Chess as used by World Chess Federation, Inc.

WCF has advised the attornies of the infringing so called "World Chess Hall of Fame" it does not sanction or license its use of such and will not grant any such license and does not approve of many of the alleged inductees, the valid inductees being listed at www.wcfchess.com as part of the World Chess Federation Hall of Fame since 1992.

WCF has advised the museum it should consider changing its name to International Chess Hall of Fame to avoid infringement upon World Chess Federation, Inc rights.

Note: You will note that the so called registration of March 19, 2002 does NOT grant US Chess Trust EXCLUSIVE use of Hall of Fame in conjunction with and our senior usage of World Chess Hall of fame since 1992 as previously advised to Sidney Samole Museum back in 2001 when they first started to use it as part of World Chess hall of Fame AND Sidney Samole Museum was advised . We suggest you change name to International Chess Hall of Fame.

World Chess Federation has this date filed petition with US Patent and Trademark Office requesting rescission of infringing mark which infringes on our usage since 1992 of World Chess Federation (R) Hall of Fame.

No license will be granted by World Chess Federation or sanction given to your so called Hall of Fame. We suggest you change name to International Chess Hall of Fame or seek license from us, not US Chess Trust and remove any inductees World Chess Federation, Inc (R) does not approve of.

Re: Infringing Use of WORLD CHESS FEDERATION HALL OF FAME

Dear Mr. Vaughan:

We have received and reviewed your various communications in response to my letter of August 29, 2011.

You assert repeatedly that a "World Chess Federation Hall of Fame" has been in existence since 1992. Please provide proof of use of that name at any time prior to the past few months. Please also advise, and if possible provide proof, of the geographic scope of that use and the goods or services in connection with which it was used. Again, we are inquiring about use of "World Chess Federation Hall of Fame," not merely "World Chess Federation."

If, as we believe to be the case, the challenged name has not been in use prior to the last few months, we again demand that you, your company, and those under your control immediately cease and desist any and all use of that name, or any other name confusingly similar to the registered mark WORLD CHESS HALL OF FAME®, including the destruction of all signage, letterhead and promotional material containing the infringing phrase.

That the U.S. registration for WORLD CHESS HALL OF FAME® disclaimed "Hall of Fame" does not impact this situation. A disclaimer does not remove the disclaimed matter from the mark. The mark must still be regarded as a whole, including the disclaimed matter, in evaluating similarity to other marks. *In re National Data Corp.*, 753 F.2d 1056, 224 USPQ 749 (Fed. Subject: trademark infringement by US Chess Trust and Rex Sinquefield of St Louis Chess Club

This is to advise you you may wish to advise US Chess Trust that their so-called licensing has no value. We were just advised today (September 13) am by the US Patent and Trademark Office Trademark Assistance Center that after our complaint and their review they determine that the alleged trademark World Chess Hall of Fame does infringe on World Chess Federation's preexisting Hall of Fame and have advised us the procedure to file to have that infringing trademark which US Chess Trust had tried to claim, CANCELED.

Please be advised we intend to follow through with the USPTO advice and do so after we pay the fee they said will be required to cancel the infringing mark which they say US Chess Trusts thus does NOT own (as they falsely claimed to you), for a fee of \$300.

Again we suggest to avoid future litigation from us to stop your agreement with US Chess Trust which is defrauding you, which has no value and change to International Chess Hall of Fame as you may not use word World in conjunction with your so-called Hall. Thus their review shows that World Chess Federation as founded by Bobby Fischer, Stan Vaughan, Larry Evans, etc holds worldwide rights under the Madrid Agreement on International Trademarks to World Chess Federation and World Chess Federation Hall of Fame. FIDE is the International Chess Federation, not World Chess Federation.

We have received and reviewed your various communications. We refuse any and all demands as we are fully aware that US Chess Trust has full knowledge they have been infringing on World Chess Federation Hall of Fame, which has had continuous use since 1992 by World Chess Federation®.

Mr. Vaughan,

Your letter of September 18, with attachments, has been received. While you state that The Everything Chess Book references "World Chess Federation Hall of Fame," the attached pages do not reflect this. We have attempted to locate a copy of that book, with no success. Would you please provide any pages containing the language "World Chess Federation Hall of Fame," and also advise whether the book was ever in fact distributed and, if so, the extent and location of the distribution?

Also, where and to who was September 1993 American Chess Monthly distributed?

12/7/2011

Thank you. BC

Mr. Vaughan,

None of your communications reflect use of "World Chess Federation Hall of Fame" at any time prior to the last few months. If you have specific evidence of such a use, please send it to me, absent which we will continue in the belief that its use arose just recently.

Thank you. In an excess of caution, permit me to again request that communications be handled by your counsel, if you have one. BC

The World Chess Federation Hall of Fame and bios of its inductees are covered in the chapter on them pages 7-114 of

The Everything Chess Book, by Stan Vaughan ISBN 1-58062-417-0 published in 2000 by ADAMS MEDIA.

Fanueil ADAMS, Jr. died March 25, 1999 and had been president of the American Chess Foundation, which Harold Dondis had considered previously to combine US Chess Trust with American Chess Foundation which later became Chess in the Schools. This is by Dondis' own admission in published info at US Chess Trust site.

ADAMS convinced Harold DONDIS also of Boston to take a gamble and infringe upon our World Chess Federation Hall of Fame and see if they could get away with it.

Sinquefield is an associate of US Chess Trust as well as Harold Dondis

The World Chess Federation Hall of Fame is mentioned in many many issues of American Chess Monthly throughout the 1990s from its creation in 1992

Nothing further thus is needed to produce to you in this regards as Harold Dondis in a published interview mentioned the gamble he took and his association with Fanueil Adams, both of Boston, Mass area.

Thus as you can plainly see, your client has a serious problem of evidence trail showing knowledge the US Chess Trust knew they were intentionally infringing on pre-existing World Chess Federation Hall of Fame.

So I once again advise you to advise your client to stop infringement and the use of word World instead of using perhaps International.

Fischer:

As far as the U.S. Chess Federation goes, I have nothing to do with them, I consider them to be a pro-Soviet, criminal organization, terrible people. I would like ... I would appreciate it if all of my fans canceled their subscriptions to their horrible magazine *Chess Life*—I call it *Chess Lies*—and withdrew from the membership of this organization.

September 14, 1992

"It's time to make your move."

Kasparov:

"A sleeping giant. The small minded leaders of the 'United States' Chess Federation try to keep it an amateur game and must be purged like entrenched Communist Bureaucrats"

: 1988

You'd expect...that Fischer and Kasparov wouldn't be able to come to an agreement. But, one thing they BOTH AGREE on is how they feel about the United States Chess Federation. When neither WCF World Chess Champion Bobby Fischer, nor PCA World Chess Champion have nothing positive to say about USCF, don't you think that...
